A Community Education Program
supported by the Hopkins, Minnetonka,
St. Louis Park & Wayzata School Districts

See Our Abilities Realized

www.projectsoarmn.org
What is Project SOAR?

Project SOAR is a Community Education program that provides social, enrichment and recreational programming for adults with developmental, sensory, cognitive and physical disabilities. The program is designed to enhance community involvement and promote lifelong learning for adults with disabilities. Project SOAR’s classes and activities provide lifelong learning and are specially designed and adapted to individual abilities.

Our Mission

Project SOAR is committed to empowering adults with disabilities in their efforts to participate in community education programs and services.

Get Involved with Project SOAR

DONATE YOUR TIME AND EXPERIENCE
Volunteer with Project SOAR and assist with classes, activities, and events.

DONATE SUPPLIES/MATERIALS
Donate supplies and/or materials for Project SOAR classes.

DONATE FINANCIALLY
We welcome financial donations of any amount; your financial gift will provide individuals with financial needs access to Project SOAR classes/activities.

TEACH & SHARE
Do you have a special talent or hobby, a passion for arts/crafts, cooking or sewing? Project SOAR is seeking caring individuals to instruct classes. Hours and days are flexible (work as little as a few hours per month); training provided.

Contact the Program Manager for more information about becoming a Project SOAR volunteer or instructor.

TUITION ASSISTANCE
Project SOAR has tuition assistance available for qualified participants. For more information, or to apply, please visit our website at www.projectsoarmn.org, or call us at (952) 401-6898.

Our Mission

Project SOAR is committed to empowering adults with disabilities in their efforts to participate in community education programs and services.

WELCOME

Hello spring and summer! After a rather long and rough winter, I think we are all ready to embrace the warmth, sunshine and all the changes this season brings. Here at Project SOAR, we have some changes of our own. We recently welcomed four instructors to our team: Linda, Diane, Makayla and Sonia. Each individual brings exciting ideas and unique skills to the program, enabling Project SOAR to continue to offer you original and creative programming.

Our wonderful instructor of over 13 years, Marcia, is taking a step back from teaching so she can spend more time with her family. Most of you have had the pleasure to attend one of Marcia’s classes; she was our lead person for sewing, Game Night, and many others. We all love her enthusiasm, her creativity and how she strives to make every single class the best one yet. Please join us in thanking Marcia for all the years she’s given to Project SOAR and our participants. She will be sorely missed, but we will still see her often in a volunteer role.

We invite you to take some time to peruse our new catalog and register early for your favorite classes/activities. If you are an animal lover, make sure to check out the field trips to visit horses and llamas (page 8). For water enthusiasts, we have partnered with Clownfish Swimming Club to bring you a month of swimming fun (page 7), and a daytime beach outing (page 9). We are also excited to introduce the Karaoke-Dansu Experience. This class might be of interest to those who love music but don’t necessarily want to sing (see details on page 7).

So many classes and so little time! Are you ready to get started? Let’s go!

BINGO and a Movie Club
Do you usually attend our Pizza, Pop and a Picture Show and BINGO events? Now it’s much easier (and cheaper!) for you to register! We’ve combined two of our most popular monthly social activities into one easy registration and discounted registration fee. It’s simple: just select the month, and with one registration/payment, you’re all set for both activities. Dates/times/locations of activities remain the same - but remember to mark your calendars for both events each month. Welcome to the club!

New! **Lovable Llamas Day Trip**
Have you ever wondered what it would feel like to pet a llama? Now’s your chance! Join us for a field trip to Carlson’s Lovable Llamas. Llamas are gentle, friendly creatures with many unique features, and part of the camel family. Our trip will start when you board the bus, then after a short ride, we will arrive at the farm and get a tour. You will visit with, groom, and walk the llamas. Watch the 4-H kids lead their llamas through an obstacle course! We will enjoy a bag lunch (sandwich, chips, pop) before heading back. This promises to be a pretty cool and fun outing! Pricing includes: bus, lunch, farm admission/tour. Please note that the bus departs MCEC promptly at 9:50 a.m. No refunds/cancellations after May 15th.

New! **Meet 'n' Greet at Bunker Park Stables**
If you’re a horse lover and would like to have a close-up, hands-on experience with these amazing animals, now’s your opportunity! Join us this summer when we travel to Bunker Park Stables for our meet 'n' greet with the horses. Our day will include a barn tour, and we’ll get to groom and walk the horses. This is a great outing for all lovers of horses, but also a good horse introduction for someone who may be afraid or someone who is physically unable to ride. No horse-riding on this trip, but everyone is welcome to come back on their own to ride. We will enjoy a bagged lunch (sandwich, chips, pop) before getting back on the bus for our ride home. Important: our bus departs MCEC promptly at 9:30 a.m. Pricing includes: bus, lunch, stables admission/tour. No cancellations/refunds after June 10th.

Creative Writing Workshop
Do you have stories, ideas, and experiences to share? Of course you do! Join us for this innovative creative writing workshop and craft works that showcases your unique gifts and voice with the world! No experience, reading, or handwriting skills are necessary for students to participate. Benefits include: having your trailblazing work published and read by audiences near and far; expressing emotions - joy, silliness, anger, or all of the above; learning new things, and having fun. At the end of the course, you’ll walk away a published author, with your work included in a book published from a compilation of all authors in this class. Note: this program will take place weekly on Tuesdays, from June 18 to July 16. This activity (valued at $350 per person) is being offered at no cost to the participant, thanks to a grant from the Metropolitan Regional Arts Council and a partnership between Cow Tipping Press, Mt. Olivet Rolling Acres, Hammer Residences and Project SOAR. Don’t miss out on this opportunity to get published! Registration deadline is June 14th; space is limited so please register early to reserve your spot.

Have you ever met someone who just radiates positivity and who never seems to have a “bad” day? Stephanie is exactly that type of person! She walks through life with a huge smile on her face, a great sense of humor, a sense of adventure and inquisitiveness, and a positive attitude.

Stephanie’s parents, Mike and Laura Beth, describe her as a very active and happy child growing up in St. Louis Park. Stephanie graduated from St. Louis Park High School in 2016, where she made many friends and enjoyed social activities. Following graduation, she went on to attend Transition Plus for two years, where Stephanie continued to flourish as a young, social adult.

These days, Stephanie’s weekdays are spent at Lifeworks, where she is developing new skills, in addition to connecting with community and peers. She has assumed a leadership role in self-advocacy for adults with disabilities, and is busy visiting the Capitol, meeting with legislators and writing letters to government leaders.

Lundstrum Performing Arts has been an important part of Stephanie’s life for many years, where she has performed in various showcases. Stephanie was excited to share with us during our recent visit that she is currently rehearsing for her next performance: West Side Story.

Monday nights are usually dedicated to Circle of Friends, which is a peer support group for teenagers and young adults with disabilities, focusing on peer support and problem solving. Stephanie truly enjoys her experience with the group, the friends and connections made there, and the outings and field trips.

After hearing about her days and evening schedule, we were surprised to learn that there is much more! Stephanie also enjoys attending classes through community education programs such as Project SOAR. She can often be seen at an arts, crafts or cooking class, not just making the project at hand, but also socializing and interacting with everyone. If you’ve ever had the pleasure of attending a Project SOAR class with Stephanie, you will definitely remember her smile and happy attitude!

A vegetarian diet allows Stephanie to enjoy her favorite foods, such as pasta and pizza, and still eat healthy. She does have a bit of a sweet tooth, and no cookie is safe around Stephanie!

Stephanie’s family is close and enjoys each other’s company. Since younger sister Ellen is now away at school (NYU), her visits back home are extra special. One activity they enjoy together is watching movies; especially Stephanie’s favorites, Ramona & Beezus or Diary of a Wimpy Kid. The family’s two furry members, Oreo and Pippi, like to snuggle up for some doggie snuggles as well.

Her family has traveled extensively, exploring new places and different cultures whenever possible. Some trips that were truly special for Stephanie included Amsterdam, Rome and Israel. Warm, sunny resorts and beaches are also a favorite, like Mexico, Jamaica and the Dominican Republic. Stephanie is counting down the days until her next trip: Los Angeles! She and her dad have a spring break trip planned at the end of March.

When asked about her plans for the future, Stephanie shared with us that she would like to someday have her own apartment (maybe with a roommate) and work in retail.

Those are exciting plans, Stephanie, and we look forward to seeing your continued growth as a young adult in our community, and the impact you have on people each and every day. Your smile and positive attitude is infectious – thank you for inspiring us!
How to Register

1. Look through the catalog and make note of which classes you would like to take.
2. Find your classes in the class calendar tables on pages 13 and 14. Place a check mark next to the classes you would like to take in the boxes on the left of the table.
3. Add up the total price of classes for each month and write them down in the Class Total Price column at the bottom of each table.
4. Fill out the Registration Form below and choose one of four easy ways to register: online, mail, phone, or email (see below). If you are mailing your registration, remember to make a copy to keep.

Participant Expectations & Staff/Family Expectations
Project SOAR wants to ensure everyone’s safety and enjoyment of an activity or class. We are asking that everyone show respect and be supportive of each other. Use proper names when speaking to each other and avoid teasing. Use appropriate language and refrain from swearing. Be respectful of people's personal space and personal items. Be respectful of the facilities we use for classes and activities. If participants fail to follow these expectations, Project SOAR staff will discuss the situation with the involved parties and include family/home staff or other individuals if needed. If similar issues continue, participants will not be permitted to attend any Project SOAR activity or class for a period of time. In order for the participant to gain re-entry into the program, they have to demonstrate they can act properly in this setting again, as determined by the Project SOAR Program Manager. Staff or Family members are expected to actively provide the needed support and assistance to the participant throughout the class or activity. They should assist with any behavioral issues and with bathroom breaks, when necessary. Staff/Family members should refrain from talking or texting on their cellphone during class, unless it is an emergency. Staff/Family members should be seated adjacent to the participant so that assistance can be granted when needed.

Participant Assistance Requirements
Participants requiring assistance with their personal, physical and behavioral needs must provide their own staff or family member assistant. Examples of people needing support include: People unable to do tasks to complete a project or follow directions; people who don’t stay with the group and wander away; people who are unable to find and use the bathroom on their own; people unable to prepare food; people who cannot find their way in a building and through crowds at an event; and people whose behavior is disruptive, rude to others or violent in any way.

Instructor’s Responsibilities
Project SOAR Instructors are there to instruct and provide a fun and positive experience for all participants. They are not expected to provide one-on-one individual personal, physical or behavioral assistance to participants. If there is a medical emergency and no staff or family are present, Instructors will call 911. All fees associated with the emergency will be the responsibility of the participant.

Participation Waiver
Participants registered for a Project SOAR class, activity or event release Minnetonka Community Education and any other organizations, cities or individuals associated with this program from any responsibility for injuries or damages that the Participant may sustain as a result of their participation.

No Shows & Arriving on Time & Drop Off
Please do not register for classes or activities unless you know you can attend. Project SOAR classes are very popular, and many people are on waiting lists to participate in classes. Registration substitutions are permitted, but we request that you notify Project SOAR at least 24 hours before the class/activity. Participants that repeatedly do not attend classes/activities they are signed up for, without notifying Project SOAR, may be automatically placed on a waiting list and not allowed to register for future classes. Please be prompt in arriving at a class or activity. Instructors give directions for the class at the beginning, and it is disruptive when participants arrive late. Participants that arrive at a class/activity 30 minutes after the start time, may not be permitted to complete all projects or participate in the activities or the event. If you arrive early for a class, please sit quietly while the Instructor continues to prepare the room for the class/activity. In the event that no participants show up for a scheduled class/activity, the Instructor will leave 30 minutes after the scheduled start time. When a non-supervised individual is dropped off for an activity (as defined in this policy) the staff, family, care providers or driver must enter the activity/class and check in with the Project SOAR Instructor to verify pick-up time. They must also ensure that the participant has emergency contact information with them. At the end of the class/activity, they must inform the Instructor when they have safely picked up a participant. If a participant can wait for their ride unaccompanied by Project SOAR staff, that should be indicated when participant is dropped off.

School Rules
All Project SOAR classes and activities are school sponsored; therefore, there is absolutely no smoking, alcohol or drug use permitted during any Project SOAR classes or activities. This applies to participants, staff/assistants, family and drivers.

Register Early
You must register for all classes except BINGO. Most classes have limited enrollment and registrations are accepted on a first-come, first-served basis. Participants will not be put on the class roster until the class fee is received. Waiting lists may be issued for some classes, but more often a class section will be added to accommodate additional participants.

Class Cancellation & Withdrawal
If there is a change in the date/location of the class, or if the class is canceled, Project SOAR will notify participants via email and/or phone as provided on the registration form. Full refunds are given when Project SOAR cancels a class. In order to qualify for a refund, participants who wish to withdraw from a class must call or email Project SOAR at least 3 business days prior to the scheduled class. EXCEPTION: Withdrawal/Cancellation of a registration for an activity/outing which requires the purchase of a ticket/space, will only be permitted 2 weeks prior to the event date. Refunds for class withdrawal will be processed according to Project SOAR’s Refund Policy.

Inclement Weather
If the Project SOAR class is held in a School District which is closing, as announced on radio & TV, it will be canceled and rescheduled. A message will be placed on the Project SOAR main phone line of the closing. Participants will be notified by email and/or phone of the cancellation and rescheduled date, if available. If the Participant is unable to attend the rescheduled class, they will be granted a refund credit.

Refund Policy
If Participant is eligible for a refund, and registered with a credit card, a credit will be put back on that card. If cash/check was used, a credit will be placed on their Project SOAR account to be used for future registrations. Credits must be used within one (1) year from issue date.
